A Milestone of Hope – A Message from the Executive Director

Dear Friends and Supporters,

Some moments remind us exactly why we said yes to this mission. Today, I am overjoyed to share one of those moments: Hope House has celebrated its very first graduate! After two years in our program, one of our young mothers has completed her journey with us and is moving into a home of her own with her child and a brighter future ahead.

When we opened our doors in March 2024, our prayer was to create more than a place to live. We wanted to offer a home filled with love, safety, encouragement, and the opportunity for young mothers to discover their strength and build a foundation for independence. Today, that prayer has become a beautiful reality. This milestone belongs not only to this young mother but also to every person who has prayed for us, donated, volunteered, and believed in our mission. You helped make this possible. Your generosity provided so much more than food, shelter, and necessities. You helped restore hope, build confidence, and change the future for a mother and her child.

While we celebrate this incredible accomplishment, our work is far from finished. There are still young, expectant mothers in our community facing homelessness with nowhere safe to turn. Our commitment to each mother is a two-year journey, and we cannot continue this life-changing work without your ongoing support.

As Executive Director, I am incredibly grateful for how far God has brought Hope House and for the community that continues to stand beside us. One graduate is just the beginning. There are many more lives waiting for hope. Thank you for being part of this mission. Together, we are Saving Lives, Transforming Hearts, and Offering Hope for a Great Future.

With heartfelt gratitude,

Robin G. Keillor
