*** A note from the Executive Director***

Happy Spring!

It is with great pleasure to announce that Hope House of Northwest Michigan is full with 4 residents. We moved in 2 young women the month of April who are pregnant. Both are due this summer and expecting girls. To date; they make our 6th and 7th Hope House residents we have been able to assist since opening our doors March 1st, 2024.

A little update on our mom's and how your support has helped their continued education; one has recently finished her CNA classes and the next step is to pass the State Exam for her Certification.

Another mom is employed as a Teachers Aide and loves her job but she is considering higher education in a field with numbers (she loves numbers) perhaps Medical Coding? Our newest moms; one will be attending on-line classes at NMC and one will be working on earning her GED.

We are proud of our ladies and their accomplishments!

Your generous donation allows us to assist these young women with higher education and employment opportunities. And a huge shout-out to our volunteers who assist with child care while the moms are working or taking classes, we could not do what we do without you!

Blessings for a wonderful summer ahead.

Hope House of Northwest Michigan means so much to me.

The other residents here are like sisters to me and the staff are true friends. I feel safe, loved and cared for everyday. I receive so much wisdom from the amazing people who work and live at Hope House.

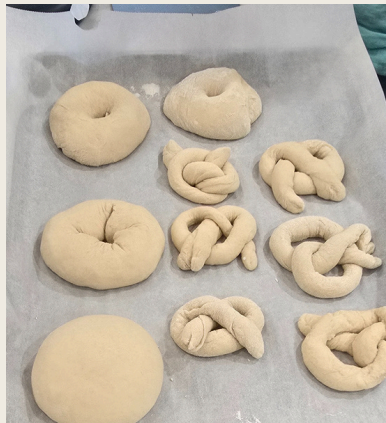

Through Hope House, the Lord has helped me to trust again. I am becoming a better person and mother because of the wonderful role models that surround me. Through the hard times, everyone here has been helping me to keep going; and in the good times, we have celebrated together. I feel I have mentors who support my decisions and are excited to guide me when I am unsure of something.

Hope house is more than just a roof over my head, it is family. I would like to thank everyone for going above and beyond in helping me get back on my feet.

Sincerely, HH resident.

A huge thank you to Erica Hawkins who donated her time and excellent sourdough starter to teach our residents the secret to the perfect homemade bread, bagels, pretzels and pizza crust. The house smelled yummy & everything the girls made was delicious. We loved this class!
